New contact in the Organ Maintenance Department

After seven years as member of the Administrative Board and Head of our Organ Maintenance Department, Markus Hahn has now left our company with effect from 31 March 2015 to take on new challenges.

We very much regret his departure, although we well understand his wish to address new tasks and to open up a new chapter in his life.

We thank Markus Hahn for his commitment and his work in our company, and we wish him the very best and every success, both professional and personal, in his new life.

I shall be very pleased to be your contact in matters concerning organ building. For administrative questions please contact Ms Trix Tiefenbach, Head Commercial Department.

We look forward to continuing the excellent cooperation with you.

Yours faithfully
